For the first time in the history of national whist tuornaments the big cities of the East have come off conquerors at the congress of the American Whist League, just ended at the Oriental Hotel, Manhattan Beach. The Hamilton Trophy, which is now the championship emblem, went to the Hyde Park Whist Club last year, and the American Whist League Trophy, which is a challenge cup, was won by St. Paul nearly six months ago. The game which began last Monday gave it to New York.

In their denunciation of the Charles Country authorities for what they term the "prutal murder of a man against whom there was no substantial evidence of guilt." Lawyer Grason had been working hard on Cocking's defence and was greatly shocked at the news of the lynching.

"T blame State Attorney Posey for this crime," said Mr. Grason emphatically to high the country that the State did not have sufficient evidence to convict, and this, doubtiess fanned the flame of public sentiment, already dangerous, to the point where it demanded the life of a man innocent in the eyes of the law and, as I believe, guiltiess in reality."

The attorney Posey for this doubties, doubties, doubties, and drives.
